

Guidelines for CPLT & PGDAC Practical Examination **TEE June 2021**

- All the question papers will be multiple choice (objective) types.
- **The duration of each examination will be 30 minutes for a 2-credit course.**
- The maximum marks are 25 for a 2-credit course. Each question would carry 2½ marks.
- The examinees will be required to attempt 10 questions out of 15 for a 2 credit course.

How to Prepare for the Examination

All the question papers will be based on the printed materials of Laboratory Courses sent to the learners. The examinees are advised to:

- Study thoroughly the course materials of the Laboratory Courses that have been sent to you.
- Learn the basic theory and procedures as well as all the details given in the experiments comprehensively.
- Study the Observation Tables, sources of errors, etc. given in each experiment.
