In case two or more candidates have equal marks in the Entrance Test, the ranking of such candidates shall be determined on the basis of the following **criteria for tie-break**:

- i) **Length of relevant experience:** Experience will be counted from the date of registration as RNRM till the last date of receipt of application form by the University i.e. 20<sup>th</sup> March 2021. In case of female candidates who have registered RN & RM separately, the experience will be counted from the date of RM registration. However, for male candidates, it will be calculated from the date of RN registration up to the last date of receipt of the application form as mentioned above, subject to the completion of the INC recognized course in lieu of midwifery before applying for the Entrance Test.
- ii) **Over all percentage of marks secured in GNM examination:** If the tie does not get resolved, aggregate of GNM in all the three years will be considered for deciding merit.
- iii) **Date of Birth:** If the tie still does not get resolved, Date of Birth will be considered (Candidates born earlier will have higher rank than those born later).
- iv) **Draw of Lot:** If there is a tie after applying all the above criteria, then rank will be decided through a draw of lot.
